LOGAN FURNITURE RANGE

Welcome to the exclusive YS Design Logan furniture collection.

From sleek and space-saving desks to robust filing cabinets and spacious cupboards, our collection offers functionality without compromising on style. Organise your workspace efficiently with our durable storage solutions, designed to enhance productivity and streamline workflow.

Elevate your office environment with our comprehensive selection of furniture, where quality meets affordability seamlessly.

YS Design Logan Range features 25mm top and leg thicknesses. The sides of the drawer boxes, backs of our storage units, modesty panels and mobile pedestals have a durable 18mm thickness.
